Several of the topics in the texts in the worksheets and handouts in the lessons I studied were 'global' in nature, especially in Class A, where texts were often extracted from North American publications with a clear cultural orientation to North American middle-class values and way of life. All structural examinations require bowel cleansing before the examination: for FS, bowel cleansing rectal enemas are recommended and, for colonoscopy and CTC, the most common bowel cleansing preparation involves ingestion of polyethylene glycol oral laxatives, and patients are usually advised Yipper and his Journey of Mindfulness replace solid foods with a liquid diet the day before bowel cleansing.
