First. COGO - Constructing points, spirals, curves and arcs with coordinate geometry. Henle Verlag. He wasn't clever at all: he merely told the unhappy Present to recite the Past like a poetry lesson till sooner or later it faltered at the line where long ago the accusations had begun, and suddenly knew by whom it had been judged, how rich life had been and how silly, and was life-forgiven and more humble, able to approach the Future as a friend without a wardrobe of excuses, without a set mask of rectitude or an embarrassing over-familiar gesture. As a hostage, one cannot simply demand fashionable clothing, hot baths and decent meals.
