Her mom had told her daughters to treat these black Africans with respect and entertain them with friendliness.

Barbelo: The Story Of Jesus Christ

I needed to go on this journey with Marv. Overall, what Fairclough is trying to show, I believe, is that we should understand our social world as in no small part constructed through the way people speak and write, which means we can use linguistic analysis to figure out how that construction process works essentially what I have described in step 8 .
