The pure, unspotted lamb-skin apron is, then, in Masonry, symbolic of that perfection of body and purity of mind which are essential qualifications in all who would participate in its sacred mysteries. As more and more and stricter and stricter innate constraints needed to be imposed on the learner's hypothesis space to account for their learning rules in the absence of relevant data, notions like hypothesis generation and testing seemed to have less and less purchase.

## **The House of Wisdom: How the Arabs Transformed Western Civilization**
