Soul Hunt

It is pretty tough to say that ANY math book is 'well-written', but Tony does a great job in explaining the concepts and history of math, its progression along the ages, and the discoveries that were made, and put it into a very short, approachable form. But not all sex in prison is violent; many of the letters from male lovers I read in the mail room were full of tenderness and longing.

Ghouls

I know that sounds ridiculous, like hyperbole, but I mean it quite literally. It only takes one call to start your new life in recovery.

This refusal to unconditionally embrace a genre, discipline or political position is not only at odds with the niched requirements of the market, but also often with political and artistic tribes. There is less chiaroscuro because of the explosion of colour, more frontal views, more imposing formats.
