Under Nuclear Attack
Take, for instance, the Hiram legend of the third degree. The multi-media Acid Tests that the Pranksters staged before California banned LSD in creatively deployed sound and light technologies along with jams from the young Grateful Dead, and thereby laid down a template for the mass psychedelic culture just around the corner.

Ithanalins Restoration: A Legend of Ethsar (The Legends of Ethshar Book 8)

As Zentella remarks: The notion that Spanish-English code-switching is a hap-hazard jumble of two languages has been rebutted by many analyses, principally Pfaf ; McClure ; Poplack ; ZentellaLipski ; Alvarez ; Torres ; Toribio and Rubin The free morpheme constraint prohibits the intra-word mixing of morphemes while the equivalence constraint suggests, "the order of sentence constituents immediately adjacent to and on both sides of the switch point must be grammatical with respect to both languages involved simultaneously" 5They conclude that code-switching is "governed by a well defined set of syntactic rules" Certainly, the mere existence of these constraints suggests that there is a formal and structural component to code-switching. The survey and case-study reports of the consultants, plus notes by other experts, provided the basis for a follow-up consultative workshop of water-hyacinth stakeholders and experts, held in Nairobi, Kenya, in September The IDRC-PLaW-led consultations confirmed that water hyacinth is present and spreading in practically all the countries across AME but that the region already has the experience and expertise to deal with the weed on time.
